**BOARD MEETING MINUTES**  
**July 24, 2023 – 3:00 PM**  
**Called Meeting**

The Rockingham County Board of Elections met Monday, July 24, 2023 at 3:00 p.m. at the Rockingham County Board of Elections Office.

Board Members Present: Ophelia Wright, Chair; Sarah Totten, Secretary; Nelson Cole, Member; Thurman Hampton, Member; and Tom Schoolfield, Member.

Staff Members Present: Paula Seamster, Director.

**ITEM #1 – MEETING CALLED TO ORDER**

The Board meeting was called to order at 3:00 p.m. by Chair Wright. Chair Wright welcomed those that were in attendance.

**ITEM #2 – PLEDGE OF ALLEGIANCE**

Pledge of Allegiance was led by Member Schoolfield.

**ITEM #3 – CANDIDATE FILING DEADLINE EXTENSION – TOWN OF STONEVILLE COUNCIL SEATS**

The Director stated that the Town of Stoneville has three (3) Council Seats that will be vacant and only one (1) person filed. She stated that the purpose of the meeting is for the Board to decide if it wants to extend the candidate filing for the Town of Stoneville Council Seats for 5 additional days, through Friday, July 28, 2023 at 12:00 p.m., or not to extend the deadline. The Director stated that whether the Board extends the deadline or not there is a Write-In option on the ballots for the Municipal Election. Write-Ins are always allowed on the Municipal Election ballots. The Director stated that the main decision the Board needed to make today was whether to extend or not to extend candidate filing for the Town of Stoneville Council Seats through Friday, July 28, 2024 at 12:00 p.m.

Member Schoolfield asked what the negatives were for extending the candidate filing. The Director responded that there were no negatives. Member Schoolfield asked if the Board voted to not extend the filing period and there would only be one person the ballot for the Municipal Election what would happen. The Director responded that the decision for the three (3) council seats would be determined by the Write-Ins. She added that if there were no Write-Ins then the Town of Stoneville Council would make appointments to the seats that are vacant. She stated that she had asked the State Board of Elections how this would work and this was the response.

Secretary Totten stated that since no one on the Board lived in Stoneville she wanted to know if gentleman present in the meeting knew if there were people interested in running for those council seats. She also asked if it would be good for the Board to extend the filing period. The Director responded that Perry Webster, Town Administrator for the Town of Stoneville was present for the meeting. She asked if he would responded to Secretary Totten's questions. Mr. Webster responded that he had not heard if anyone was interested in filling these vacancies.

Chair Wright asked Mr. Webster if individuals knew there may be an opportunity to extend the deadline for candidate filing or were the individuals aware that they could file. Mr. Webster stated that this could be a possibility. He stated that the reason that he was at the meeting was to hear the directive from the Board so he would be able to answer the questions if someone called to asked questions about how this would be handled. Mr. Webster stated that he wanted to get the answer firsthand so he would be able to answer the questions properly. Chair Wright asked if the filing period was extended two years ago when

this happened. The Director responded that there were enough candidates to file to fill the vacant seats for all municipalities however there was an individual that was written in on the ballot in a municipality that won the election by write-in votes. She stated that the municipal elections is the only time write-ins are allowed without a petition. The Director stated that this was the first time since she had been here that there has been a consideration to extend candidate filing. She stated that she thought it would be advantageous to extend the candidate filing for the Town of Stoneville Council Seats through Friday, July 28, 2023 at 12:00 p.m.

Member Schoolfield stated that the one person that filed if he votes for himself he will be in. The Director responded not necessarily, there could be three write-ins that get more votes than the individual that filed. Member Schoolfield stated that extending the deadline would give other individuals the opportunity to file. He added that the individual that filed did what he or she was supposed to and it was in a timely manner and he did not want to do anything that would affect that individual. The Director responded that this was what happened two years ago, the write-in vote knocked someone out that had filed within the candidate filing period.

**Member Cole moved, seconded by Secretary Totten to extend the candidate filing deadline through Friday, July 28, 2023 at 12:00 p.m. for the Town of Stoneville Council Seats. The motion carried unanimously.**

Member Schoolfield asked if there was a way to notify the citizens of this extension. The Director responded that as soon as the meeting was over this information will go out to the Sunshine List, it will be put on Facebook, but there was no way to get the information to a newspaper for this to be published prior to Friday's deadline. She did add that the newspapers and media were on the Sunshine List and would receive the information. The Director informed the Board that she was already getting questions about why the Board was holding this meeting today so the information is already out there.

Member Cole stated that the Rockingham Now comes out Wednesday so they may be able to put something in the newspaper.

Member Schoolfield asked if Mr. Webster needed anything from the Board of Elections other than hearing the directive from the Board. Mr. Webster responded that he had talked with the Director and she was going to send him an email on everything that was discussed and spell out all of the 'what ifs' so that he would be able to respond to any questions that may be asked.

Chair Wright stated that the Board needed to understand this as well because the Board may get calls as well. She added that she had sent in a Help Ticket to the State Board of Elections on how this would be handled and she had not received a response as of yet. The Director stated that someone from the State Board called her to make sure the meeting was still scheduled for today and the Director asked that individual about the 'what ifs'.

#### **ITEM #4 – ADJOURNMENT**

**At 3:16 p.m. Member Cole moved, seconded by Member Schoolfield to adjourn. The motion carried unanimously.**

Respectfully submitted.
