REQUESTED FOR A PERIOD OF _____ DAYS

I/we, the undersigned hereby make application for the meter to be set for the building being constructed under the authority of the permit listed above. I/we furthermore assume full responsibility for any damage or destruction which may occur from the usage of the electrical power and/or lighting; and understand the acceptance of this application shall in no way constitute a final inspection of the electrical wiring, nor shall it be construed as an occupancy permit or certificate of occupancy.

I/we acknowledge and agree that the building or structure for which this electrical power is required shall not to be occupied for its intended use until all final inspections, stipulations or other requirements under which the building permit was issued are in full compliance.

It is further understood and agreed that the Inspections Department may order the power company furnishing power to discontinue and/or disconnect the electrical service without notice upon failure of the owner(s) or agent(s) compliance with this agreement.
