News

Wow! This has been a crazy year for everyone!

Programs at the library have been moved online and meetings have become a thing of the past.

The library cautiously reopened on Sept. 28. At this time safety rules do not allow the Friends to hold their regular book sales or events. We are still here and continue to support the library in this challenging environment.

New ideas on promoting the library and fund raising are always welcome, especially now!

We are currently looking for board members! If you are a dedicated individual that loves the library and is looking for a volunteer opportunity, give us a call. 336-349-8476

We are still raising funds for a NEW Reidsville Library! We have outgrown our current building and are looking forward to bigger and more technology friendly spaces.
